## What Kind of Producer Are You?

**Discover your perfect role in the filmmaking process with this quick and easy quiz.**

---

- 1) When a film idea is pitched, your first thought is:
  - A) “Can we secure financing for this?”
  - B) “Is the script solid, and who would be the best director for it?”
  - C) “What will the budget and schedule look like?”
  - D) “What logistical hurdles will we need to solve on set?”
  
- 2) Your biggest strength in filmmaking is:
  - A) Networking with financiers, distributors, and key partners.
  - B) Assembling the right team and making creative decisions.
  - C) Organizing and managing the production plan while keeping things on budget.
  - D) Executing the production plan efficiently and solving on-the-ground problems.
  
- 3) You’re most excited when:
  - A) The funding comes through, and deals are closed.
  - B) The cast and crew align perfectly with the creative vision.
  - C) The production stays on schedule and on budget.
  - D) Everything runs smoothly on set, even when challenges arise.
  
- 4) A last-minute problem arises—what are you likely to handle best?
  - A) Finding additional funding or negotiating extra distribution rights.
  - B) Recasting a role or working with the director to fix a creative issue.
  - C) Adjusting the budget or rescheduling shoot days to stay within limits.
  - D) Quickly finding new crew or equipment when needed.
  
- 5) Your ideal day involves:
  - A) Closing a major funding or distribution deal.
  - B) Sitting in on creative meetings to shape the film’s vision.
  - C) Reviewing cost reports and tracking progress on the production timeline.
  - D) Resolving crew conflicts and ensuring everything is in place on set.
  
- 6) Your long-term career goal is to:
  - A) Build strong financial partnerships and produce multiple successful films.
  - B) Oversee larger productions and establish yourself as a creative leader.
  - C) Continue managing productions with precision and financial discipline.
  - D) Lead teams and manage production logistics on increasingly ambitious projects.

# The Producers Desk

## What Kind of Producer Are You?

### Let's See How You Did!

Count how many A's, B's, C's, and D's you selected. The letter you chose most often reveals your producer type. Find out what it means below!

---

**A**

#### **Executive Producer** *"The High-Level Dealmaker"*

You focus on securing financing, making distribution deals, and keeping the investors happy. Your decisions shape the project's financial success.

**B**

#### **Producer** *"The Project Architect"*

You oversee both creative and logistical elements. You bring the right script, director, and team together while managing the production from start to finish.

**C**

#### **Line Producer** *"The Budget Keeper"*

You're in charge of creating the budget and schedule, monitoring expenses, and making sure the production stays financially efficient and organized.

**D**

#### **Production Manager** *"The Execution Expert"*

You ensure the production plan comes to life by handling logistics like crew, equipment, locations, and on-set problem-solving.
